

**THE PROFESSIONAL BOARD FOR PSYCHOLOGY
HEALTH PROFESSIONS COUNCIL OF SOUTH AFRICA
PROGRESS REPORT**

SUBMISSION OF PROGRESS REPORT

- The psychological practitioner(s) must submit a progress report when required by the Board regarding the progress made on the development / adaptation of the psychological test.
- The progress report must be compiled by completing **Form B** and must then be submitted to the Board.
- Other than reporting on the progress being made in developing / adapting the psychological test, any changes to the research design and to the research team and/or the responsible psychology practitioner (s) should be reported.
- Progress reports need to be submitted every **two** years.

SECTION 1

Psychological test details
Title of psychological test
Author(s) of the psychological test

SECTION 2

Provide a report on the progress of the development/adaptation of the psychological test to date. Comment on the rationale, design and test development. Include any changes, if any, which have happened during the development/adaptation of the psychological test.

Anticipated date of completion of the project: _____

SECTION 3 – Declaration

I declare that the information I have given above is true and that my research has not contravened the Health Professions Act, 1974 (Act 56 of 1974) on Ethical Conduct in Research. I also declare that I have respected the personality, rights, wishes, beliefs, consent and freedom of the individual participant(s) in the conduct of my research and that I have notified the Board of any ethically relevant variation in this research.

Print Name _____
