

Restoration

Health professionals who have been erased for more than 2 years up to 4 years may be restored under the following conditions:

1. Submission of proof of payment of the restoration fees and the duly completed application Form 18.
2. Health professionals have to obtain the necessary 30 CEU's within 12 months of restoration.
3. Health professionals will then be audited after 12 months to ensure that they have accrued the 30 CEUs.

Health professionals who have been erased for more than 4 years may be restored after successful passing of the Board examination.
