

## Restoration

- Complete application for restoration form, Form 18
- Pay restoration fees and any other fees outstanding
- Practitioners whose names have been off the register for more than 2 years are required to work under supervision for at least six months under a senior health professional who is registered in the same category (a senior health professional is a health professional who has been registered with the board and practised for at least 1 years and the registration must be active)
- A letter confirming successful completion of the supervised period of 6 months must be submitted to the Council by the supervisor.
