

Restoration

A person whose name was erased from the register must apply to restore his/her name to the register by complying with the following restoration procedures:

Complete restoration Form 18.

Payment of restoration fees and any other fees outstanding.

A health professional may be restored in the category Supervised Practice for a period of at least six months.

Submission of a report by the supervisor to the Chairperson of the Education Committee as to the competency of the health professional or whether a further period of supervised practice is recommended.

Upon submission of a successful report from the supervisor, the health professional may be restored to the independent category where he/she was registered before.

Health professional must accrue CEUs.

Health professional to be included in the CPD audit after a year or restoration.
