SCHEDULE

1. Definitions
2. Requirement for registration
3. Short Title

1. Definitions

In these regulations any word or expression to which a meaning has been assigned in the Act shall have that meaning, unless the context otherwise indicates: -

"the Act" means the Health Professions Act, 1974 (Act No. 56 of 1974); and

"professional board" means the Professional Board for Radiography and Clinical Technology established in terms of section 15 of the Act.

2. Requirement for registration

The registrar may register, as an Electro-Encephalographic Technician, ElectroCardiography Technician, or Spirometry Technician, any person who-

(a) holds an appropriate qualification in Electro-Encephalographic Technique, Electro-Cardiograph Technique, or Spirometry Technique granted, after examination, by any institution or examining authority approved by the professional board from time to time: Provided that no qualification shall be accepted for the purpose of these Regulations unless the training thereof has extended over a minimum period of twelve months in an institution approved by the professional board; and

(b) has passed an examination in Electro-Encephalographic Technique, Electrocardiograph Technique, or Spirometry Technique conducted by the professional board in terms of section 15B(1)(b) of the Act.

3. Short Title

These Regulations are called Regulations Relating to the Registration of Technicians in Clinical Technology, 2023.
