

Request for Quotation

Proposals are invited from suitable qualified and experienced service providers to render the nomination services for the nominations and appointment of new professional boards.

The term of office of the current Professional Boards is coming to an end in June 2020. The Health Professions Council of South Africa (HPCSA) hereby calls for proposals to render nominations services for the nominations and appointment of new Professional Boards.

The successful applicant will be part of an Electoral Office Collective to:

1. Verify nominations received and allocation of nominations according to the Professional Boards;
2. Compile a slate of valid nominations to be submitted to the Minister of Health.
