3. SCOPE

These guidelines apply to qualified Optometrists and/or Dispensing Opticians who wish to be restored on the register in terms of the Act.

4. GENERAL REQUIREMENTS

- In order to avoid delays in the processing of applications, **correctly certified** documents as per the requirements of the Board should be submitted **in one batch**
- Applications submitted by **facsimile (fax)** will not be accepted.
- All documentation required by the Board should be submitted in English. Where applicable, only original translations of the required documents done by a sworn translator and duly sealed and notarized will be accepted. In addition to such English translations, legible copies of the original documents, certified and duly sealed by a Notary Public should be submitted.
- Should there be any further documentation that may be required, the applicant will be notified within one month upon receipt of the application prior to processing of the application.

5. RESTORATION PROCESS REQUIREMENTS

Once the practitioner is off register it is assumed that he or she is no longer practicing the profession within South Africa and he or she is not allowed to perform any clinical work. Where the practitioner has been out of clinical work for more than 5 years, he or she will be subjected to a board examination and only upon passing the board examination will the practitioner be restored on the register as an independent practitioner in the relevant category.
