Dear Valued Practitioner

The HPCSA welcomes the appointment of Dr Zweli Mkhize as the **new Minister of Health**. The upcoming HPCSA **National Conference** is shaping up to be a special event with a focus on issues affecting practitioners. We invite you to **nominate** practitioners making a difference for the **HPCSA Health Awards**.

Practitioners are reminded of the importance of keeping your **HPCSA registration** and **CPD** points up to date through the practitioners' portal on the **HPCSA website**. Contact the **client care centre** should you experience any issues with your HPCSA membership.

As always, we welcome **your feedback** on issues of concern and topics covered in this newsletter.

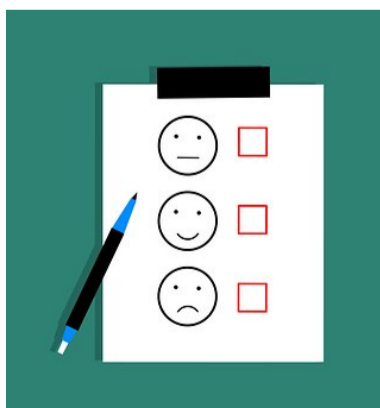

Best wishes

The HPCSA Team

New Minister of Health

Newly appointed Dr Zwelini Mkhize comes with a wealth of experience in health and public service, having served as provincial MEC for Health, Finance and Economic Development, and eventually Provincial Premier in KZN. Prior to his current position, Dr Mkhize served as Minister of Cooperative Governance and Traditional Affairs in the national government. **Read more**

Nominate practitioners making a difference
