

Health Professions Council of South Africa

1st NATIONAL CONFERENCE

REGULATING HEALTH PROFESSIONALS IN THE 21ST CENTURY

2019

78 days to go **BOOK NOW**

Dear Valued Practitioner

Book now for the inaugural **HPCSA National Conference** 18–20 August 2019, where practitioners can **earn CPD points**, and engage the Council on key aspects affecting healthcare in South Africa. Local and international guest speakers will host sessions around the theme of **Regulating the Health Professionals in the 21st Century**. Special conference, day and student **packages** are available as well as **opportunities** for sponsorship and exhibitions.

In keeping with the collaborative nature of the Conference, the HPCSA invite interested parties to **submit scientific abstracts** for consideration before 7 June 2019.

As always, we welcome **your feedback** on issues of concern and topics covered in this newsletter.

Best wishes

The HPCSA Team

The National Conference will be hosted at Emperor's Palace, Kempton Park. Special accommodation rates have been negotiated with selected establishments. All reservations are to be made directly with the hotels and settlement of any bill is the responsibility of the delegate. **Read more**
