

Dear Valued Practitioner

The HPCSA hosted a successful inaugural **National Conference** in August 2019. The sold-out event saw the gathering of healthcare professionals and stakeholders from across the country and abroad. Among the many highlights was the **Conference Statement of Commitment**, the launch of the HPCSA Ethical Guidelines on **Social Media Policy** and **Palliative Care Guidelines**.

The Conference also played host to the Health Awards recognising individuals who distinguished themselves through their contributions in the advancement and sustainability of the HPCSA. We congratulate the respective winners of the **Presidential** and **Lifetime Achievement** Awards. The **HPCSA Past Presidents** were also recognised for their years of service.

A special word of thanks to our partners, sponsors, exhibitors, and speakers for making this Conference special.

Best wishes
