

Dear Valued Practitioner

Accurate **record keeping** impacts on everything from clinical outcomes, reduced waste, and reputation – practitioners are advised to adhere to these **guidelines**. Practitioners who have not yet paid their **annual fees** are urged to do so. If you are unsure, please check your status through the **online portal**.

The HPCSA congratulates Dr Letlape on his election as **President of the Association of the Medical Councils of Africa (AMCOA)** for a three-year term.

As always, we welcome your **feedback**. Enjoy the read!

The HPCSA Team

New role for HPCSA President

The HPCSA congratulates Dr Letlape on his election as the 10th President of **AMCOA** – the organisation supporting medical regulatory authorities in Africa in protecting the public and guiding health professions. Dr Letlape will continue to serve with the HPCSA in addition to his new role. **Read more**

Keeping the record straight

Accurate record keeping will help practitioners improve clinical outcomes, reduce waste, and ensure stakeholder engagement and satisfaction. Here are practical steps practitioners can take when obtaining informed consent from patients and useful guidelines in keeping suitable and acceptable records.
